The EBSCO eBooks app is available for Androids and iPhones.

Accessing your EBSCO eBooks on a mobile device

Is there an App?

Yes. The EBSCO eBooks app is available for Androids and iPhones. Search for the EBSCO eBooks app in your app store. Once it is downloaded, open the app. You'll need to enter in your Adobe ID and password. If you don't have an Adobe ID, create a new one. Your password needs to be at least 8 characters including upper and lower case letters, numbers, and symbols.

How do I checkout books?

Open the tab Find Books and select Find my Library. Select your country, state, and library. Click on the gear located at the top right corner. Click sign in and click on create a new account. You'll need a separate EBSCO eBooks login. Once you've created a new EBSCO eBooks account, you can search for books and download. Checkout period is one day.

I'm still having issues with my account.

Please stop by the Information Desk or call 972-304-3658 for additional help. Feel free to bring in your device. There is also an EBSCO eBooks Quick Start Guide located in your Bookshelf for any additional help or tips.

EBSCO eBooks can be accessed on your PC or Mac through a web browser.
