hike

Special accommodations:

Please submit the completed education program request to bec@coppelltx.gov at least 30 days prior to the requested program date. BEC staff will email a confirmation and further instructions when the request is received. Program times and activities may be limited by staff/trained volunteer availability. If a sufficient number of facilitators is not secured within 2 weeks of the scheduled program date, you will be notified to consider alternatives. Please notify BEC staff as soon as possible of program cancellations.

For more information or questions, please contact the Biodiversity Education Center
