

## Indoor Pool Reservations

We will allow a limited number of users in our facility for Lap swim/walk only, with a limit of one person per lane. Due to this, reservations will be required prior to attending The CORE. Since we have a limited number of lanes, we want to make sure everyone can stay at a safe distance while in the pool. You may bring your own kickboard or other swim equipment to use during your workout.

We will allow one pass holder with up to 5 additional family members to utilize the play feature at a time. All family members must be included on the pass holders account. Due to this, reservations will be required prior to attending The CORE. Since we have a limited amount of space, we want to make sure everyone can stay at a safe distance while in the play feature.

Locker Rooms will be available. Your time, including locker room usage, will be limited to one-hour where we will be closing the facility for a deep clean in-between reservations. Please be prepared to enter our facility wearing a mask while you are walking around, you may remove it during your time in the pool.
